  Completed in 2023

About Me

I am studying BCA in voorhees college at Vellore with an aggregate 75% till 5th semester. I attended cyber security workshop and national level seminar's and I won 3rd prize in quize competition. My goal as a beginner to enhance my skill and contribute to the growth of this company.

I am a good learner and Team player. Seeking a beginner role to enhance my skill and explore my technical knowledge gained at Thiruvalluvar University in the last three years.
